**STREETLIGHTS RESIDENTIAL BRINGS 23 STORIES OF LUXURY APARTMENT LIVING TO DALLAS
WITH OPENING OF THE JORDAN**

DALLAS – March 9, 2016 – [StreetLights Residential](#) has opened its newest addition to the city of Dallas, a residential high-rise named [The Jordan](#), located in Dallas’ Uptown neighborhood at 2355 Thomas Ave., one block from Klyde Warren Park. The leasing center for these luxury apartments opened Friday, March 4, and the first move-ins began Tuesday, March 8.

The Jordan provides 23 stories of beautifully-designed apartment homes for those who desire to live, work and play in the city center. It offers easy-access to other vibrant areas in Dallas, such as downtown and the Arts District. In addition to the building’s ideal location, the 212 luxury apartments feature first-class amenities to make an impressive urban home. One of the most unique amenities is the resident bar, which will open on Thursday, March 17.

“Due to the team’s hard work and tremendous support from our partners, this project came together just as we envisioned,” said StreetLights CEO Doug Chesnut. “The design, architecture and interiors all work together to create a great atmosphere for residents. Apartments at The Jordan will provide a luxurious home and offer an exceptional experience. We are excited to reveal the final product.”

The community offers a comprehensive amenity package designed to deliver cosmopolitan elegance with five-star luxury. A 24-hour concierge team will provide an un-paralleled service experience. Residents can socialize at the beautifully landscaped seventh-floor pool or the resident lounge, both of which offer captivating views of the city. Complete with a pet park, expansive fitness center, electric vehicle charging stations and much more, The Jordan is the finest urban home.

With options of one- or- two bedrooms, units range in size from 735 to 2,262 square feet, inclusive of four penthouse homes. Every unit is complete with a private balcony. The units also contain one of the finest cabinetry packages in the market, with custom solid wood cabinets, slab granite countertops and full granite backsplashes. Penthouse homes offer extra features including fireplaces, 12-foot ceilings, wine refrigerators and upgraded walk-in closet systems.

StreetLights developed the project and SLR Uptown Construction LLC served as general contractor. The interior units were designed by StreetLights Residential and the interior amenity areas were designed by [Waldrop + Nichols Studio, LLC](#). The architecture design was by [GDA Architects](#), and the landscape was designed by [Studio Outside](#).

Other StreetLights Dallas-Fort Worth developments include, [The Kelton at Clearfork](#), a four-story residential community, comprised of 392 units, located in Fort Worth, Texas which is now leasing. [The Kathryn - The Canals at Grand Park](#) the first phase of a three-phase masterplan in Frisco, Texas which will start pre-leasing this summer. With a mix of flats and townhomes, Phase I represents 365 units of the master planned community which includes 1070 units total. The McKenzie, a 22-story residential high-rise located at the corner of Harvard Ave. and Tracy Street in Dallas; The Austin (Trinity Green), a four-story residential community, comprised of 353 units, located in the Trinity Groves area of Dallas; and, The Case Building, a 17-story residential high-rise in Dallas' Deep Ellum neighborhood. For more information about The Kelton, The Kathryn, The McKenzie, The Austin (Trinity Green) or The Case Building, visit streetlightsres.com.

About StreetLights Residential

StreetLights Residential specializes in new urbanist apartment homes and mixed-use developments. Its business plan focuses on building around the highest home prices (price per square foot). With in-house development, design, and construction expertise, the StreetLights team focuses on custom luxury communities which rival the experience, lifestyle, and amenities of living in an urban boutique hotel. Since StreetLights' inception in 2011, it has grown to more than 100 employees in development and construction companies with offices in Dallas, Austin, Houston, San Diego, Nashville and Phoenix.
